

To Whom It May Concern,

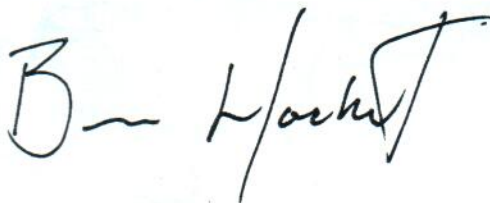

I am writing to confirm that *Yu-Chen Huang* (黃于真) served as a translator at the **2015 Fall International Education Expo** in Taichung on **October 12**. *Yu-Chen Huang's* duties included interpreting for American, Canadian or Other international school delegates and visitors to the Fair.

All translators for the International Education Expos first passed a written and oral translation examination and attended a training session prior to the fair. To prepare for the position, translators conducted research on their assigned schools and contacted the school delegate via e-mail before the fair. All translators passed an on-line test to make sure they were adequately prepared for their duties.

As translators act as a representative for their assigned American, Canadian or other international School, this job requires a high level of professionalism and English language proficiency. School delegates who joined the **2015 Fall International Education Expo** gave our translators staff excellent ratings. The OH! Study Education Consulting Centers were very happy with *Yu-Chen Huang's* job performance and would hire him/her again without hesitation.

Thank you, and please do not hesitate to contact us if you have any further questions.

Sincerely,

Brian Hockertz

Director of OH! Study Education Consulting Center
